DUETBT

Wireless on-ear headphones

Features and Benefits

JBL Signature Sound

Signature JBL sound delivered by powerful 40mm drivers, in a sleek, stylish design.

Up to 16-hour battery life

Enjoy an entire day or more of wireless audio without having to plug your headphones back in to charge.

Two-hour recharge time

A rapid two-hour charging gets you up to 16 hours of audio playback.

Seamlessly switch between devices

Effortlessly switch from music on your portable device to a ring from your phone, for example, so that you never miss a call.

Leather ear pads and aluminum touches

Comfortable, leather ear pads and aluminum touches complement the sleek look of the headphones.

One-button universal remote with microphone

In the wired mode, the bundled cable, which is compatible with most smartphones, allows for easy music control and hands-free calls.

Sound controls on ear-cup

In wireless mode, ear cup controls offer convenient management of music and calls.

Tangle-free cable

An innovative tangle-free design with an angled plug means untangling is a thing of the past.

Improved ergonomic design

Form-fitting, comfortable ear cushions mean that your headphones stay put while you enjoy your music — even when you're on the go.

Carrying case

A slim pouch keeps your entertainment secure when on-the-go.
