

### Visually stunning audio.

Featuring iconic design, ambient lighting and ease of use, the Aura Studio 2 delivers the impeccable, high quality Bluetooth audio streaming you've come to expect from a Harman Kardon product. Equipped with an animated ambient white light that glows up from the center turbine and a sleek, tinted dome, your music has never looked better. This is the centerpiece of sound in any home with six premium 1.5" high/mid-range transducers and a powerful 4.5" subwoofer that delivers 360-degree omnidirectional audio. Sound that can be easily amplified thanks to the Wireless Dual Sound feature that lets you conveniently link two Aura Studio 2 speakers or integrate with a host of other Harman Kardon products.

### Features

- ▶ Extraordinary sound experience
- ▶ Ambient lighting
- ▶ Iconic design
- ▶ Wireless Dual Sound

### Extraordinary sound experience

Harman Kardon's proprietary stereo-widening DSP technology delivers premium, fully optimized audio.

### Ambient lighting

Sound looks beautiful thanks to an ambient white light glow from the center turbine and an animated center ring of LEDs.

### Iconic design

The evolved SoundSticks design adds a level of prestige to any interior while also integrating seamlessly with your Mac, iPhone, and other smart devices.

### Wireless Dual Sound

Conveniently link two Aura Studio 2 speakers or integrate with a host of other Harman Kardon products.
